Rep. Kalinowski Supports Funding for Middletown Parking

State Rep. Raymond C. Kalinowski, R-100th, Middletown. Middlefield, Durham, has testified on behalf of the City of Middletown's request for state aid to help build a \$10 million, 600-space parking garage.

Rep. Kalinowski joined with Middletown Mayor Dominique Thornton and State Rep. Joseph Serra in speaking before the legislature's Commerce Committee on behalf of the city's request for state parking funds.

Rep. Kalinowski said, "It is reasonable to believe that the resurgence of Middletown in recent years could only be improved with more space for people to park. State support would go a long way toward assuring the economic viability of the city for years to come."

Rep. Kalinowski serves the 100th Assembly District of Middletown, Middlefield and Durham in the state House of Representatives.
